DOUGLAS COUNTY BOARD OF)	THE DOUGLAS COUNTY BOARD OF
EQUALIZATION,)	EQUALIZATION

Appellee.)	

The above-captioned case was called for a hearing on the merits of an appeal by Beth H. Brodkey ("the Taxpayer") to the Tax Equalization and Review Commission ("the Commission"). The hearing was held in the Commission's Hearing Room on the sixth floor of the Nebraska State Office Building in the City of Lincoln, Lancaster County, Nebraska, on January 12, 2009, pursuant to an Order for Hearing and Notice of Hearing issued September 26, 2008 as amended by an Order dated November 13, 2008. Commissioners Warnes and Hotz were present. Commissioner Warnes was the presiding hearing officer. Commissioner Salmon was excused from participation by the presiding hearing officer. Commissioner Wickersham was absent. A panel of three commissioners was created pursuant to 442 Neb. Admin. Code, ch. 4, §011 (10/07). The appeal was heard by a quorum of a panel of the Commission.

Beth H. Brodkey and her husband, M. Ronald Brodkey, were present at the hearing. No one appeared as legal counsel for the Taxpayer.

Thomas S. Barrett, a Deputy County Attorney for Douglas County, Nebraska, was present as legal counsel for the Douglas County Board of Equalization ("the County Board").

The Commission took statutory notice, received exhibits, and heard testimony.

The Commission is required to state its final decision and order concerning an appeal, with findings of fact and conclusions of law, on the record or in writing. Neb. Rev. Stat. §77-5018 (Cum. Supp. 2006). The final decision and order of the Commission in this case is as follows.

**I.
ISSUES**

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2007, is not equalized with the taxable value of other real property. The issues on appeal related to that assertion are:

Whether the decision of the County Board determining the equalized taxable value of the subject property is unreasonable or arbitrary;

Whether the equalized taxable value of the subject property was determined by the County Board in a manner and an amount that is uniform and proportionate as required by Nebraska's Constitution in Article VIII §1; and

The equalized taxable value of the subject property on January 1, 2007.

**II.
FINDINGS OF FACT**

The Commission finds and determines that:

1. The Taxpayer has a sufficient interest in the outcome of the above captioned appeal to maintain the appeal.
2. The parcel of real property to which this appeal pertains ("the Subject Property") is described in the table below.

3. Actual value of the subject property placed on the assessment roll as of January 1, 2007, ("the assessment date") by the Douglas County Assessor, value as proposed in a timely protest, and actual value as determined by the County Board is shown in the following table:

III. APPLICABLE LAW

1. Subject matter jurisdiction of the Commission in this appeal is over all questions necessary to determine taxable value. Neb. Rev. Stat. §77-5016(7) (Supp. 2007).
2. “Actual value is the most probable price expressed in terms of money that a property will bring if exposed for sale in the open market, or in an arm’s length transaction, between a willing buyer and a willing seller, both of whom are knowledgeable concerning all the uses to which the real property is adapted and for which the real property is capable of being used. In analyzing the uses and restrictions applicable to real property the analysis shall include a full description of the physical characteristics of the real property and an identification of the property rights valued.” Neb. Rev. Stat. §77-112 (Reissue 2003).
3. Actual value may be determined using professionally accepted mass appraisal methods, including, but not limited to, the (1) sales comparison approach using the guidelines in section 77-1371, (2) income approach, and (3) cost approach. Neb. Rev. Stat. §77-112 (Reissue 2003).
4. “Actual value, market value, and fair market value mean exactly the same thing.”
Omaha Country Club v. Douglas County Board of Equalization, et al., 11 Neb.App. 171, 180, 645 N.W.2d 821, 829 (2002).

5. Taxable value is the percentage of actual value subject to taxation as directed by section 77-201 of Nebraska Statutes and has the same meaning as assessed value. Neb. Rev. Stat. §77-131 (Reissue 2003).
6. All taxable real property, with the exception of agricultural land and horticultural land, shall be valued at actual value for purposes of taxation. Neb. Rev. Stat. §77-201(1) (Cum. Supp. 2006).
7. "Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution." *Neb. Const.*, Art. VIII, §1.
8. Equalization to obtain proportionate valuation requires a comparison of the ratio of assessed to actual value for the subject property and comparable property. *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597 N.W.2d 623 (1999).
9. Uniformity requires that whatever methods are used to determine actual or taxable value for various classifications of real property that the results be correlated to show uniformity. *Banner County v. State Board of Equalization*, 226 Neb. 236, 411 N.W.2d 35 (1987).
10. Taxpayers are entitled to have their property assessed uniformly and proportionately, even though the result may be that it is assessed at less than the actual value. *Equitable Life v. Lincoln County Bd. of Equal.*, 229 Neb. 60, 425 N.W.2d 320 (1988); *Fremont Plaza v. Dodge County Bd. of Equal.*, 225 Neb. 303, 405 N.W.2d 555 (1987).

11. The constitutional requirement of uniformity in taxation extends to both rate and valuation. *First Nat. Bank & Trust Co. v. County of Lancaster*, 177 Neb. 390, 128 N.W.2d 820 (1964).
12. In the evaluation of real property for tax purposes, where buildings and improvements are taxable as a part of the real estate, the critical issue is the actual value of the entire property, not the proportion of that value which is allocated to the land or to the buildings and improvements by the appraiser. *Bumgarner v. Valley County*, 208 Neb. 361, 303 N.W.2d 307 (1981).
13. If taxable values are to be equalized it is necessary for a Taxpayer to establish by clear and convincing evidence that valuation placed on his or her property when compared with valuations placed on similar property is grossly excessive and is the result of systematic will or failure of a plain legal duty, and not mere error of judgement. There must be something more, something which in effect amounts to an intentional violation of the essential principle of practical uniformity. *Newman v. County of Dawson*, 167 Neb. 666, 94 N.W.2d 47 (1959).
14. A presumption exists that the County Board has faithfully performed its duties and has acted on competent evidence. *City of York v. York County Bd. Of Equalization*, 266 Neb. 297, 64 N.W.2d 445 (2003).
15. The presumption in favor of the county board may be classified as a principle of procedure involving the burden of proof, namely, a taxpayer has the burden to prove that action by a board of equalization fixing or determining valuation of real estate for tax purposes is unauthorized by or contrary to constitutional or statutory provisions

- governing taxation. *Gordman Properties Company v. Board of Equalization of Hall County*, 225 Neb. 169, 403 N.W.2d 366 (1987).
16. The presumption disappears if there is competent evidence to the contrary. *Id.*
 17. The order, decision, determination, or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary. Neb. Rev. Stat. §77-5016 (8) (Cum. Supp. 2006).
 18. Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence. See, e.g. *Omaha Country Club v. Douglas Cty. Bd. of Equal.*, 11 Neb.App. 171, 645 N.W.2d 821 (2002).
 19. "Clear and convincing evidence means and is that amount of evidence which produces in the trier of fact a firm belief or conviction about the existence of a fact to be proved." *Castellano v. Bitkower*, 216 Neb. 806, 812, 346 N.W.2d 249, 253 (1984).
 20. A decision is "arbitrary" when it is made in disregard of the facts and circumstances and without some basis which could lead a reasonable person to the same conclusion. *Phelps Cty. Bd. of Equal. v. Graf*, 258 Neb 810, 606 N.W.2d 736 (2000).
 21. A decision is unreasonable only if the evidence presented leaves no room for differences of opinion among reasonable minds. *Pittman v. Sarpy Cty. Bd. of Equal.*, 258 Neb 390, 603 N.W.2d 447 (1999).
 22. "An owner who is familiar with his property and knows its worth is permitted to testify as to its value." *U. S. Ecology v. Boyd County Bd. Of Equalization*, 256 Neb. 7, 16, 588 N.W.2d 575, 581 (1999).

23. The County Board need not put on any evidence to support its valuation of the property at issue unless the taxpayer establishes the Board's valuation was unreasonable or arbitrary. *Bottorf v. Clay County Bd. of Equalization*, 7 Neb.App. 162, 580 N.W.2d 561 (1998).
24. A Taxpayer, who only produced evidence that was aimed at discrediting valuation methods utilized by the county assessor, failed to meet burden of proving that value of property was not fairly and proportionately equalized or that valuation placed upon property for tax purposes was unreasonable or arbitrary. *Beynon v. Board of Equalization of Lancaster County*, 213 Neb. 488, 329 N.W.2d 857 (1983).
25. A Taxpayer must introduce competent evidence of actual value of the subject property in order to successfully claim that the subject property is overvalued. Cf. *Lincoln Tel. and Tel. Co. v. County Bd. Of Equalization of York County*, 209 Neb. 465, 308 N.W.2d 515 (1981); *Arenson v. Cedar County*, 212 Neb. 62, 321 N.W.2d 427 (1982).

IV. ANALYSIS

The subject property is an improved residential parcel with a 1 1/2 story house built in 1969. (E4:1). The residential living space is 2,409 square feet. (E4:1).

The Taxpayer testified that the appraiser for the County "did a good thorough inspection." The inspection was on July 23, 2008 and several corrections for the subject property were made including;

1. The foundation of the basement was changed to concrete from block,
2. The basement has 1,000 square feet of fair finish rather than 689 square feet of finish,

3. The enclosed screen porch was replaced with a sunroom, and

4. The Condition was reduced from good to average because of original kitchen and baths, and driveway needing some repairs. (E3:3).

The Referee valued the subject property at \$210,000 (E6:2) and the County Board of Equalization approved that recommendation with its decision. (E6:1). The County's Market Calculation Detail card for the subject property was not updated. (E4:4). This card allows the Commission to do a comparison of the subject property both before and after the inspection and adjustments as a result of the inspection.

The adjustments that are necessary after the inspection include the following:

A change in the contribution to value due to the change in the size and finish of the basement from 689 square feet finished to 1,000 square feet fair finished. (E4:4).

A decrease in the valuation due to a reduction in the condition from good to average which good condition had a contribution to value for the subject property of \$10,500. (E4:4).

However, no evidence was presented regarding the multiplier to be used for fair finish of the basement. The Commission also does not find supporting evidence for the exact changes in contribution to value of the subject property for the adjustments necessary for the sunroom and the concrete basement, but such changes to the physical attributes would result in an increase in valuation.

The Taxpayer did not provide any exhibits evidencing his opinion of valuation, \$187,500, to which he testified. His testimony was that the basis for his opinion of value came from his

inspection of the newspaper and noting the sale price of homes with the same zip code as the subject property. He did not provide property record cards for any alleged comparable properties that had sold, in accordance with the Order for Hearing, paragraph 13, for the Commission to make a comparison of the subject property and the valuation of other parcels.

The Commission finds that the Taxpayer has not rebutted the presumption that the County Board of Equalization faithfully performed its duties and had sufficient competent evidence for its decision both as to its decision as to valuation and equalization. Despite this fact, the Commission has reviewed all of the evidence presented and further finds that the Taxpayer has not shown by clear and convincing evidence that the County Board's decision was either arbitrary or unreasonable nor has he shown by the reasonableness of the evidence a new valuation or that the subject property was not equalized with the taxable value of other real property. The decision of the Board of Equalization is affirmed.

V. CONCLUSIONS OF LAW

1. The Commission has subject matter jurisdiction in this appeal.
2. The Commission has jurisdiction over the parties to this appeal.
3. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its official duties and to act on sufficient competent evidence to justify its actions.
4. The Taxpayer has not adduced sufficient, clear and convincing evidence that the decision of the County Board is unreasonable or arbitrary and the decision of the County Board should be affirmed.
